...every child reading by the end of 3rd grade

Education Connection

Humility + Consistency + Simplicity

By volunteering for just **30 minutes a week** in a one-on-one reading session, you will help improve one of the most pressing educational issues in the Greater Austin area – **school dropout rates**. Research has shown that children not reading at grade level by the end of 3rd grade are **four times** more likely to drop out of school. Through Education Connection, **join the movement** to minimize this trend by becoming a volunteer in one of the many participating elementary schools in the Greater Austin area.

How to Get Started

1. Make a **30 minute weekly commitment** to serve during the **school year**.
2. Register now at **education-connection.org** for the district, specific school, and training session of your choice.
3. Begin recruiting your friends, neighbors, and co-workers to join us!
